

COLOR

Select a page and remove it from the book. The pages are perforated, so removal is easy!

Color with pencils, markers, crayons, or paint!

CUT

Cut out each of the figure pieces.

Make a hole for the fasteners by punching out the circular holes (at the figure joints) with a hole punch.

ASSEMBLE

Use the letter key on the back of the figures for easy assembly.

Insert the fasteners and push back the prongs.

Have fun playing!
